# Our Company

TRader Camp Supply Services is a Turkish originated company with its headquarters located in Mersin - Turkey with branches in USA, Turkmenistan and UAE. We are a procurement, logistics, camp services and maintenance provider who understands the strategic challenges of efficiently operating in challenging and remote locations. Headquartered in Turkey, we began serving clients in Iraq in 2002 and in the years since we have grown into a large multifaceted firm, with offices in USA , Turkmenistan and UAE. Today we manage projects in CIS and Middle East Coun-

tries.. Our portfolio of clients includes Governments, NATO, United Nations Agencies and Peacekeeping Operations, Non-Governmental Organizations and Multinational Oil & Gas companies. Our experience working in extremely diverse environments has given us the expertise needed to execute to the highest calibre. No geography is too challenging. Even in the world's most isolated areas and heaviest conflict zones, we stand by our promise to "Deliver... Regardless"

"TCS is engaged in sales and marketing activities in different foreign markets, different cultures and risk environments with its new business models and flexible organization structure...."
